## 1) Project Description

Please provide an overview of your proposed project and overall goals.

## 2) The Team

Describe the team involved in the project and any internal or external partnerships the project will promote.

### **3) Work Plan**

Describe the work that will be done and provide a timeline with milestones for completion.

### **4) Outcomes and Impact**

Describe the assessment plan, potential outcomes, impact of the project, and how the project aligns with the UT System strategic plan.

## 5) Budget and Budget Justification

Outline your project budget providing justification for each category. Funds should be directed to labor, materials, and services necessary to achieve the proposed work/project. Indicate any sources of cost-share. Indirect costs are not allowed. Funds may not be used for PI salary, but may be used for student, post doc, or technical staff support.
